

## **Wireless Terms of Service:**

### **Terms Applicable to AT&T Home Plans:**

Digital phone required. Wireless service is subject to credit approval. Calls subject to taxes, roaming, universal service charge, gross receipts surcharge, and other charges, which are subject to change. If your service is terminated before the end of a Service Commitment, you will be required to pay COMPORIUM®, as liquidated damages and not as a penalty, in addition to all other amounts owed, a termination charge equal to \$240 divided by the total number of months in your service period multiplied by the remaining months or parts of months in such service period. Prices do not include taxes, directory assistance, roaming, universal service fees or other exactions. Minutes will be depleted according to usage in the following order: mobile to mobile minutes, night and weekend minutes, package minutes and overage minutes. International long-distance rates vary. Airtime and other measured usage are billed in full-minute increments, and actual airtime and usage are rounded up to the next full increment at the end of each call for billing purposes. COMPORIUM® Wireless charges a full-minute increment of usage for every fraction of the last minute used on each wireless call. Charges for calls made while outside your local Home Calling Area or portions of your Home Calling Area served by other carriers may take longer to be processed, and billing for these calls may be delayed. Those minutes will be applied against your included monthly minutes in the month in which the calls appear on your bill. Unanswered calls of 30 seconds or longer incur airtime. Last month's charges are not prorated. Prices are subject to change. \$36 Activation Fee for new accounts. COMPORIUM® does not guarantee availability of the network. Nights are 9:00 p.m. to 6:00 a.m. Weekends are 9:00 p.m. Friday to 6:00 a.m. Monday. Included long distance applies to calls within the 50 United States. Unused mobile to mobile and night and weekend minutes do not roll over to the next billing period and are forfeited. New Plans are limited to Plans described on the Comporium Wireless site. See Wireless Service Agreement for additional conditions and restrictions. Calls originated or received while outside your Home coverage area are subject to roaming charges.

### **Terms Applicable to Rollover:**

Unused package minutes expire: (1) after twelve months (2) immediately upon default or if customer changes rate plans to a non-rollover plan. Rolled over minutes are not redeemable for cash or credit and are not transferable. Minutes will not roll over until after the first month's billing. Rollover does not apply to night and weekend minutes.
